Please read through the following **New Life Community Church Statement of Faith** and sign your agreement at the bottom of the page.

- We believe the sixty-six books that compose the Bible are God's true and trustworthy words which He has given us to guide us in life and are the source and final authority upon which we base our core beliefs.
- We believe in only one true God who eternally exists in three Persons: God the Father, God the Son, and God the Holy Spirit. Each Person is fully God and there is one God.
- We believe Jesus Christ is fully God and fully man. He was born of a virgin, lived a sinless life, died on the cross as our substitute for the payment of sin, and rose from the dead.
- We believe the Holy Spirit lives in all believers, leads and empowers them in the pursuit of holiness and truth, and equips them for service in the Church.
- We believe all who are in Christ are now spiritually alive, new creations, chosen by God as His holy, forgiven, and dearly loved children. This new identity in Christ is the foundation for a daily growing victory over the power of sin and the lies of Satan.
- We believe Men and women are made in the image of God, but because of sin are spiritually dead and have no hope apart from God's salvation. Salvation is only possible because of the work of Christ and Christ is the only way by which people can have spiritual life that results in peace with God.
- We believe all of salvation is by the grace of God through faith in Christ and those whom God saves are saved for all eternity.
- We believe God created humankind male and female, and that these two distinct, yet complementary genders together reflect the image of God. We believe God's design for marriage from the very beginning of creation was that it be a life-long exclusive union between one man and one woman. God's design for this relationship was for procreation, personal pleasure, and the completion of His original creative purpose to fill the earth, as well as act as His representatives in it. We believe sex is a gift from God to be enjoyed in the context of a monogamous heterosexual marriage relationship between a husband and his wife. Consequently, all sexual activity outside that relationship is sinful. It is God's expectation that the married live in faithfulness to their spouse, and that the unmarried should live pure and celibate lives.
- We believe the Church is a community of those who are children of God through faith in Christ who seek to show their love for God through worship, service, and sacrifice. The Church is called to regularly remember the death, burial, and bodily resurrection of Christ through baptism and the Lord's Supper.
- We believe Christ will return to establish a new heaven and a new earth and there will be a judgment that results in eternal punishment for the unrighteous or eternal perfection for the righteous.
